257 Longton Road

257 VISION

This project reimagines four key spaces—Master Bedroom, Spare Room, Office, and a Walk-In Wardrobe—through a minimalist rustic lens. The design breathes new life into existing furniture, blending clean lines with natural textures to create warm, functional spaces.

Rooted in simplicity and sustainability, the vision focuses on refinement over replacement, using muted tones, wood, and soft textiles to create a cohesive, lived-in feel. Each room is designed to be calm, intentional, and effortlessly timeless.

THIS BEDROOM DRAWS INSPIRATION FROM CLASSIC PARISIAN INTERIORS, COMBINING TIMELESS CHARM WITH A MODERN, ROMANTIC EDGE. SOFT ACCENTS OF CINDER ROSE BY FARROW & BALL SET A WARM, DUSKY TONE, COMPLEMENTED BY GOLD DETAILING AND CURATED ELEGANT ARTIFICIAL FLORALS. THE RESULT IS A SERENE, SOPHISTICATED SPACE THAT FEELS BOTH LUXURIOUS AND LIVED-IN—REFINED YET EFFORTLESSLY INVITING.
